

OPIRG Peterborough's Green Dishes Agreement and Form

Updated and approved November 20, 2018.

Green Dishes is a waste-reduction project designed to eliminate the need for disposable dishes at community and campus events in Peterborough. Essentially, it is a dish-lending program with a small fee that enables people and organizations to borrow reusable dishes for community events.

Before using the Green Dishes, you are asked to read and abide by the following protocol to ensure the efficiency and effectiveness of this lending service.

OPIRG Peterborough's Responsibilities

- To provide reusable dishes for your event.

Borrower's Responsibilities

- To arrive at OPIRG Peterborough with sufficient time to help move the dishes you will be borrowing. We recommend leaving yourself at least 15 minutes for pick up.
- To clean and dry the dishes prior to returning them to OPIRG Peterborough.
- To return dishes on time with ample time to help put dishes away when bringing them back.

Please note:

- OPIRG Peterborough does not clean the dishes as it is the responsibility of borrowers and therefore cannot accept liability for the level of cleanliness of the dishes.
- The fee for renting Green Dishes will depend on the number of dishes you require. Discounts may be available to non-profit organizations who request a discount.
