

# **OPIRG Peterborough's Guide for Funding Requests**

Updated and approved November 20, 2018.

OPIRG Peterborough holds a budget line for donations to projects and events that fit within our mandate of research, education, and action on social and environmental justice. We give priority to funding requests for events taking place locally and those that have limited funding sources. All funding, endorsement, and co-sponsorship requests are discussed/approved at board of directors meetings, which often occur bi-weekly.

When requesting funds from OPIRG Peterborough please include:

- How your request relates to our mandate.
- A summary of your project (what you need the funding for).
- Amount requested.
- Name for cheque to be made out to.

OPIRG Peterborough appreciates all folks with approved requests mentioning their affiliation with OPIRG Peterborough as public recognition of funding plays a key role in building awareness of our combined efforts to work on issues of social justice, the environment, and community building in Peterborough and beyond.
